

Thank you for your purchase of the ButtKicker® LFE, the most powerful, musically accurate and long lasting low frequency audio driver available today.

This Quick Start Guide is designed to help you install and use the ButtKicker as part of your home theater system.

Two common configurations are shown:

- With your surround sound processor, the ButtKicker amplifier, a subwoofer and one ButtKicker
- When powering two ButtKickers

(NOTE: When installed in home theater seats, the ButtKicker amplifier can power up to 4 ButtKickers LFE Shakers. Please refer to the website for wiring information.)

If after following these instructions you still have questions, please refer to the enclosed User's Guide or check our website, [www.thebutt kicker.com](http://www.thebutt kicker.com), for the latest technical information and FAQs.

If you are not completely thrilled with how the ButtKicker performs please contact us via telephone, email or fax. We will do everything possible to make sure you are completely satisfied.

**INSTALL – SHAKE – ENJOY!**
