

Featured Technology

Some Polk sound bars feature wireless surround sound technology – letting you connect to wireless surround speakers and hear the future of home theater surround sound. What's more, many of our sound bars also come with built-in wireless music technology – turning every song into a high-performance sonic gem no matter if you're streaming over Bluetooth or Wi-Fi.

Voice Adjust

Isolate and adjust the voice channel level to reproduce clear, crisp, dialogue and never miss a single word of your favorite movie, TV show or sporting event.

Dynamic Balance

Advanced analysis of a speaker's entire electroacoustic and mechanical system that helps in the selection of better materials and more efficient geometry to build more realistic-sounding loudspeakers.

SDA

Cancels out all destructive cross channel interference within the speaker to maintain an expansive soundstage and wide stereo image, while enhancing the overall three-dimensional sound experience.

Power Port

Dramatically reduces port air turbulence for greater bass impact and lower distortion with less amplifier power.

BELIEVE IN THE POWER OF POLK

Love the idea of surround but not too keen on the idea of a full component speaker system?

Don't worry – we've still got you covered! Enjoy powerful, room-filling, high-performance surround sound from our wide-ranging line of sound bars.

BELIEVE IN THE POWER OF POLK

Sound Bars

Signa Solo

Universal Home Theater Sound Bar

Elevate your media experience with the Polk Signa Solo universal home theater sound bar – works with any TV

Patented SDA digital surround technology creates an expansive, multi-dimensional sound experience

Patented Polk Voice Adjust technology lets you customize the voice levels to reproduce clear, crisp dialogue

10x more bass than your typical TV speakers – four-driver array and bass ports deliver deeper, punchier bass without the need for an external subwoofer

Signa S1

Universal TV Sound Bar and Wireless Subwoofer System

Dolby Digital decoding creates incredible room-filling virtual surround sound that easily beats your TV's small speakers

Customize the voice levels to reproduce clear, crisp dialogue and never miss a single word of your favorite movie, TV show or sporting event

At 2" tall, it fits most spaces – easily wall-mount it or set it in front of your TV. It won't block your TV's bottom edge or IR remote sensor

Included optical cable quickly connects your TV to the sound bar so you're all set up and listening in minutes

MagniFi Mini

Ultra-Compact Home Theater Sound Bar System

Enjoy immersive home theater surround sound via 5.1 Dolby Digital or Bluetooth

Ultra-compact size fits tight spaces and still delivers big, room-filling audio

Voice Adjust technology dramatically increases vocal clarity and volume level for crystal clear dialogue no matter what you're watching

Wirelessly stream your favorite music directly from your smartphone, tablet or other compatible device using Google Cast or Bluetooth

MagniFi MAX

Maximum Performance Home Theater Sound Bar System

Enjoy the sonic power of the Polk MagniFi MAX maximum-performance home theater sound bar system – works with any TV

Patented SDA digital surround technology creates an expansive, multi-dimensional sound experience

Patented Voice Adjust technology lets you customize the voice levels to reproduce clear, crisp dialogue

Stream music from your favorite apps over Wi-Fi, connect to your Google Home speaker and control your music with voice commands via Google Assistant

MagniFi MAX SR

Maximum Performance True 5.1 Home Theater Sound Bar and Wireless

Enjoy the sonic power of the Polk MagniFi MAX maximum-performance home theater sound bar system – works with any TV

Patented SDA digital surround technology creates an expansive, multi-dimensional sound experience

Patented Voice Adjust technology lets you customize the voice levels to reproduce clear, crisp dialogue

Stream music from your favorite apps over Wi-Fi, connect to your Google Home speaker and control your music with voice commands via Google Assistant

SR1

Wireless Rear Surround Speakers for MagniFi MAX Sound Bar System

Upgrade the MagniFi MAX sound bar system with SR1 wireless surround speakers for a truly immersive, multi-dimensional 5.1 surround sound experience

One button control wirelessly links the SR1 surround speakers to your MagniFi MAX sound bar system

Wall-mount the surround speakers or simply place them on any tabletop

Easily customize volume and left / right balance using the MagniFi MAX remote
